

Printer Trade-in Campaign

Campaign details

Trade-in old Intermec or competitor thermal printers and receive a rebate when purchasing a new, qualifying Intermec printer.

Qualifying new Intermec printers

Product	Rebate €	Rebate £	Rebate \$
PX4 / PX6	€300	£270	\$440
PF4i	€75	£70	\$110

N.B. Preferred configurations only.

Qualifying printer brands to be traded in

CAB, Datamax, Godex, Printronix, Toshiba TEC, Sato, Zebra

How it works

1. Trade in either Intermec or competitive equipment and purchase a qualifying Intermec printer (preferred configurations only) between September 17 and December 31, 2009. Your rebate will be based on a 1:1 ratio of eligible units you trade-in to the eligible new units you purchase. Purchases must be made from an Intermec Authorized Distributor in Europe, Middle-East and Africa to qualify.
2. Attach a Trade-in form to your purchase order and you will receive the rebate instantly from the distributor. All fields on the form are mandatory. There is no need to send the old printer back.
3. The rebate is applied to the net price of the printer.
4. All orders have to be shipped by December 31, 2009 to qualify for the rebate.
5. This promotion is not valid with any other offer or special pricing.
6. This promotion is subject to stock being available, so please order early to avoid disappointment.

Terms & Conditions

Intermec and its agents have the right to substantiate rebate claims by contacting end user customers. End user customers' details will not be used for any other purpose than to verify rebate claims. Intermec reserves the right to change specifications of this promotion at any time without prior notice.
